

GUIDA MUSICALE

Questi sono i principali motivi conduttori distribuiti nel corso della composizione:

La MEMORIA: *mosso inquietente*, dalla batt. 1 e successive

Sheet music for the *MEMORIA* motif, starting at measure 1. The notation is in treble clef, common time (C), and begins with a forte (*f*) dynamic. The melody is characterized by a series of eighth notes with accents, followed by a more complex rhythmic pattern involving sixteenth notes and a final half note.

Il MISTERIOSO: *con angoscia*, dalla batt. 8

Sheet music for the *MISTERIOSO* motif, starting at measure 8. The notation is in treble clef, common time (C), and begins with a piano (*p*) dynamic. The melody is characterized by a series of eighth notes with accents, followed by a more complex rhythmic pattern involving sixteenth notes and a final half note.

Il TEMA INTERROGATIVO: *ripetitivo*, il perché della strage, con inizio dalla batt.16

Sheet music for the *TEMA INTERROGATIVO* motif, starting at measure 16. The notation is in treble clef, common time (C), and begins with a mezzo-piano (*mp*) dynamic. The melody is characterized by a series of eighth notes with accents, followed by a more complex rhythmic pattern involving sixteenth notes and a final half note.

L’IDENTIFICAZIONE politica neofascista degli autori della strage e le ragioni **SOCIOLOGICHE** nel contesto degli anni ’70, sono rappresentate dal movimento *caotico e confuso* che inizia alla batt. 40 e che comprende i temi sovrapposti precedentemente utilizzati.

Il tema funebre per le vittime ricavato dal “REQUIEM AETERNAM” appare già nell’esposizione delle otto note del vibrafono alla batt. 61 e ne suo svolgimento melodico che inizia alla batt. 65 con l’*Andante triste* accompagnato dal rintocco lugubre di una campana, in Sol grave.

Sheet music for the Requiem theme, starting at measure 61. The notation is in bass clef, common time (C), and begins with a mezzo-piano (*mp*) dynamic. The melody is characterized by a series of eighth notes with accents, followed by a more complex rhythmic pattern involving sixteenth notes and a final half note. The text "(Re - quiem ae - ter - nam)" is written below the staff.

Ritorna il tema della MEMORIA alla batt. 92, poi il motivo del Requiem con l’accompagnamento martellante alla batt. 99, e in seguito con una prima entrata imitativa (batt. 106-108)

Ancora la MEMORIA alla batt. 115, con un *meno mosso* ed un *ritardando* che presenta un passaggio di sole percussioni (batt. 126) con le 8 note caratteristiche del vibrafono. La campana accompagna ancora il tema dell’*andante sofferto* (batt. 130) contrastato dalla presenza della “memoria” e di altri incisi ritmici e tematici in diminuzione.

Alla batt. 139 il motivo MISTERIOSO, *con angoscia*, si alterna al tema INTERROGATIVO: sono dei “perchè” più ravvicinati, incalzanti, che in progressione preparano l’entrata *decisa e trascinante* della “memoria” alla batt. 169. Riappare il tema delle vittime alla batt. 179 in varie tonalità con l’accompagnamento ritmico *deciso e marcato*. Dopo un *più lento* ed un *Maestoso*, con un breve stacco di percussioni si procede alla parte conclusiva.

Al *meno mosso*, batt. 199, il tema funebre è ripreso in imitazione canonica da varie parti strumentali, intercalato da ridotti frammenti ritmici, mentre velocissime scalette portano, da un *più mosso* ad un *presto agitato*. Nell’accelerato finale, dalla batt. 219, con *rabbia e indignazione*, la “memoria” ritorna come ammonimento con la pesantezza accordale di tutto l’organico.

La composizione si chiude con una fascia accordale da eseguirsi *più lenta* e con *rassegnazione*, tenendo l’ultimo suono fino alla sua naturale estinzione con 5” di silenzio.
